Bosun Skills Checklist

Bosun Requirement 2: Checklist and endorsements. Details:

Completing the skill set checklist requires an underway check cruise (see scheduling key) where the crew member demonstrates checklist tasks under the supervision of an appropriate crew member (Mate or Captain). Several positions have tasks which may be performed while dockside. Scheduling a check cruise must be coordinated through the Port Captain.

It is necessary that each candidate review the skill checklist for the position they would like to advance to and familiarize themselves with those requirements.
