| Deck 2 | Deck 2 Trainee 5 | Deck 3 3 | | within 1 season |
| Deck 3 | Deck 3 Trainee or Deck 4 2 | | | within 1 season |

Notes:

SS VIRGINIA V operates approximately 50 days a year

1 day = 4 or more hours of service in a 24 hour period

Hours of service begin upon arrival to vessel and end when vessel is secure, or an individual departs, whichever is sooner
 If an individual serves at a deck position they are not certified for, they can count that sea time for the position of record served during that cruise

1 Season = April to December
