Save the SS VIRGINIA V and promote the Puget Sound’s maritime heritage while raising your company’s visibility by sponsoring the Foundation’s 2020 events.
OUR IMPACT:

Preservation
The SS VIRGINIA V is the last of the Puget Sound’s Mosquito Fleet steamers. She is a National Historic Landmark, a City of Seattle Landmark, and a City of Tacoma Landmark. Saving her preserves a vital part of our local history.

Education
The VIRGINIA V is an unparalleled educational resource for our community. We provide high school internships, summer camps, dockside and underway field trips, and more. These programs create hands-on experiences for our youth in maritime history and operations.

Operation
The SS VIRGINIA V is the largest wooden steamship in the United States certified by the Coast Guard to carry passengers. The vessel gets underway roughly 50 times a year. She is a living museum that provides an experience that is uniquely Seattle.

Our Mission: To promote the Puget Sound’s maritime heritage through the restoration, preservation, operation, and interpretation of the National Historic Landmark vessel VIRGINIA V.
